

Individual Rental Club Payment Form

This Rental Club Payment Form covers all lost, stolen, and/or damaged rental sets including all golf clubs, head covers, and cart bag. Buyer agrees to pay for each set of rental clubs and sleeves of golf balls requested. Buyer will return clubs in the same condition as delivered. If any clubs are lost, stolen, or damaged, buyer agrees to pay for replacement items at retail cost.

Due to the request of these premium rental sets, there will be a 48-hour cancellation period for both golf clubs and balls. We will do our best to have additional sets available for your group, but no guaranteed number of sets will be available from Showtime Golf or the golf course if not provided by the 48-hour deadline. Various players, tournaments, and courses request our premium rental clubs, so we will be reserving our sets for your benefit, therefore have to charge for sets reserved but not necessarily used.
