My first wife and I have two sons & two Granddaughters. Our daughter was diagnosed at 2 1/2 with tuberous sclerosis. Has severe autism. She is in a great group home in N.C. My second wife (Lynne) has two children (Elisa – 45 and Burch – 47) and we have two grandsons, who were born deaf, but hear well with cochlear implants. Thankful to be cancer free after robotic prostate surgery in 2009

Other Comments:

It is still frustrating that our hands were tied in Vietnam.
